## Israelis Trained the Minnesota Cop How to Kill

Paul Craig Roberts

Precisely as I reported—<https://www.paulcraigroberts.org/2020/06/01/the-george-floyd-protests/>—Minnesota police received Israeli training. The knee-on-neck is an Israeli restraint hold that Israeli forces use for breaking Palestinian necks. I doubt the Minneapolis cop intended to kill Floyd. He probably thought he was just using a restraint technique. In so many of the cases of police-inflicted death and injury there is no need for restraint. People are not resisting. Maybe the cops just want to practice their training.

Another main cause of police-inflicted death and injury are the middle of the night home invasions, sanctioned by courts and local authorities. There is absolutely no reason for these invasions. They are nothing but murder weapons.

The real murderers of George Floyd were the Israelis who taught the Minnesota cops the knee-on-neck restraint technique. The irresponsible court rulings that permit unannounced home invasions have also killed a lot of people. The police have been turned into killers by their absurd and inappropriate training. The cop will pay the price for his wrongful training just as did George Floyd.

It is pure idiocy to let those responsible for these practices off the hook and to run around shouting “racism.” Knee-on-neck is a restraint technique taught to the police. It is not racism. The technique should not have been taught to American police, and people who are not resisting should not be restrained. George Floyd died because of wrongful police training, not because of racism.
