

A collection of images. Hinkle resisting the Anglo-American-Israeli empire.

This is no surprise to those of us following commie X.

BTW Hinkle, here, is slated to be our prez nominee in 2036. He's now resided in Moscow for the last couple of years since the ACP was established. He'd much rather be hitting the Malibu beach. We don't like it, either, but won't take chances with this criminal regime in Washington. And the Russians like him so he gets security to visit the hotbeds of anti-imperialism in Donbas, Yemen and Lebanon.

🇺🇸 🇷🇺 I had a wonderful dinner with Russian Foreign Minister Sergey Lavrov in Moscow tonight after being elected as the only American to the Executive Council of the "Movement for International Russophiles."

On behalf of my fellow American patriots, I gifted Minister Lavrov...
