Severe Epidemic Enterovirus Respiratory Syndrome 2025 (SEERS 2025)

27 February 2017 definition of WHAT IS ENTEROVIRUS — Like rhinoviruses (HRV), respiratory syncytial virus (RSV), and more than 200 other viruses, Enterovirus 68 is one of the many viruses we are talking about when we talk about the “common cold.” The symptoms include coughing, sneezing, and a runny nose – and sometimes fever.

Catastrophic Contagion – A Global Challenge Exercise – This is a fictional scenario

<https://rumble.com/v22p3w8-plandemic-2-catastrophic-contagion-seers-2025-theyre-planning-to-unleash-on.html>

Below is the 27 December 2022 video description showing on the Rumble.com platform.

The last “exercise” was just called Event201 and right after....COVID. This one though....it’s got the word “catastrophic” in it.....

They are at it again. Catastrophic Contagion

The Johns Hopkins Center for Health Security, in partnership with WHO and the Bill & Melinda Gates Foundation, conducted Catastrophic Contagion, a pandemic tabletop exercise at the Grand Challenges Annual Meeting in Brussels, Belgium, on October 23, 2022.

The extraordinary group of participants consisted of 10 current and former Health Ministers and senior public health officials from Senegal, Rwanda, Nigeria, Angola, Liberia, Singapore, India, Germany, as well as Bill Gates, co-chair of the Bill & Melinda Gates Foundation.

The exercise simulated a series of WHO emergency health advisory board meetings addressing a fictional pandemic set in the near future. Participants grappled with how to respond to an epidemic

located in one part of the world that then spread rapidly, becoming a pandemic with a higher fatality rate than COVID-19 and disproportionately affecting children and young people. Prior exercises include...

Event 201 – Oct 2019 – The purpose of the exercise was to illustrate the pandemic preparedness efforts, response decisions, and cooperation required from global businesses, governments, and public health leaders that the world will need to diminish the large-scale economic and societal consequences of a severe pandemic.

Clade X – May 2018 – The goal of this exercise (“Clade X”) was to illustrate high-level strategic decisions and policies that the United States and the world will need to pursue in order to diminish the consequences of a severe pandemic.
