Owen Shroyer

Infowars Host Owen Shroyer [pleaded guilty](#) in June to a single Class A Misdemeanor of Entering and Remaining in a Restricted Building or Grounds on

January 6, 2021.

The highly talented journalist was initially charged in August 2021 – eight months after remaining outside the US Capitol on January 6.

After nearly two years of fighting charges related to his presence outside the U.S. Capitol on January 6, 2021 Owen made the decision to plead guilty to a lesser charge.

Shroyer allowed the government to review his social media accounts – likely looking for any scrap of incriminating wrong-think they could find.

Owen stood outside the US Capitol. Owen and Alex Jones warned people about going inside the Capitol. They knew it was a setup. Instead of being awarded medals for their actions that day, the regime arrested Owen months later on bogus charges. After all, he IS a Trump supporter.

Today DOJ prosecutors sought 120 days of prison time for Owen. They want him prosecuted for “speech crimes.”

Who are the real criminals here?

Do not fool yourself. The regime wants to treat every Trump supporter like this. They want to jail us all. And they will do just that if we let them.

GOVERNMENT’S SENTENCING MEMORANDUM

In the months prior to January 6, Shroyer spread election disinformation paired with violent rhetoric to hundreds of thousands, if not millions, of viewers. He presciently warned in November 2020 that, if Joe Biden became president, “it’s not going to be a million peaceful marchers in D.C.” And, on January 6, 2021, Shroyer took to a megaphone before leading a crowd to the Capitol: “The Democrats are posing as communists, but we know what they really are: they’re just tyrants, they’re tyrants. And so today, on January 6, we declare death to tyranny! Death to tyrants!” Shroyer did not stop at the sight of tear gas or sounds of explosions on the west side of the Capitol. He continued marching around to the top of the east steps chanting “1776!” where rioters would eventually violently breach the Capitol and its police line and halt the transfer of presidential power. Shroyer did not step foot inside the Capitol, he did not need to; many of those who listened to him did instead. In the aftermath, he has blamed “Antifa” and told his followers: “We should have been proud of what happened.”

Shroyer helped create January 6. The government respectfully requests that this Court sentence him to 120 days of incarceration, 12 months of supervised release, 60 hours of community service, and \$500 in restitution.

JUST IN: Prosecutors are seeking 120 days in jail for Alex Jones sidekick Owen SHROYER, saying his rhetoric prior to – and on – Jan. 6 bear significant responsibility for the chaos that unfolded. <https://t.co/NLBI6NxsNs>
