**Stunning evidence proves effectiveness of HCQ in treating coronavirus. Data should land Dr. Fauci in prison.**

**The liberal mainstream media can't hide this truth from the public forever.**

The **latest international testing** of hydroxychloroquine treatment of coronavirus shows countries that had early use of the drug had a **79% lower mortality rate** than countries that banned the use of the safe malaria drug.

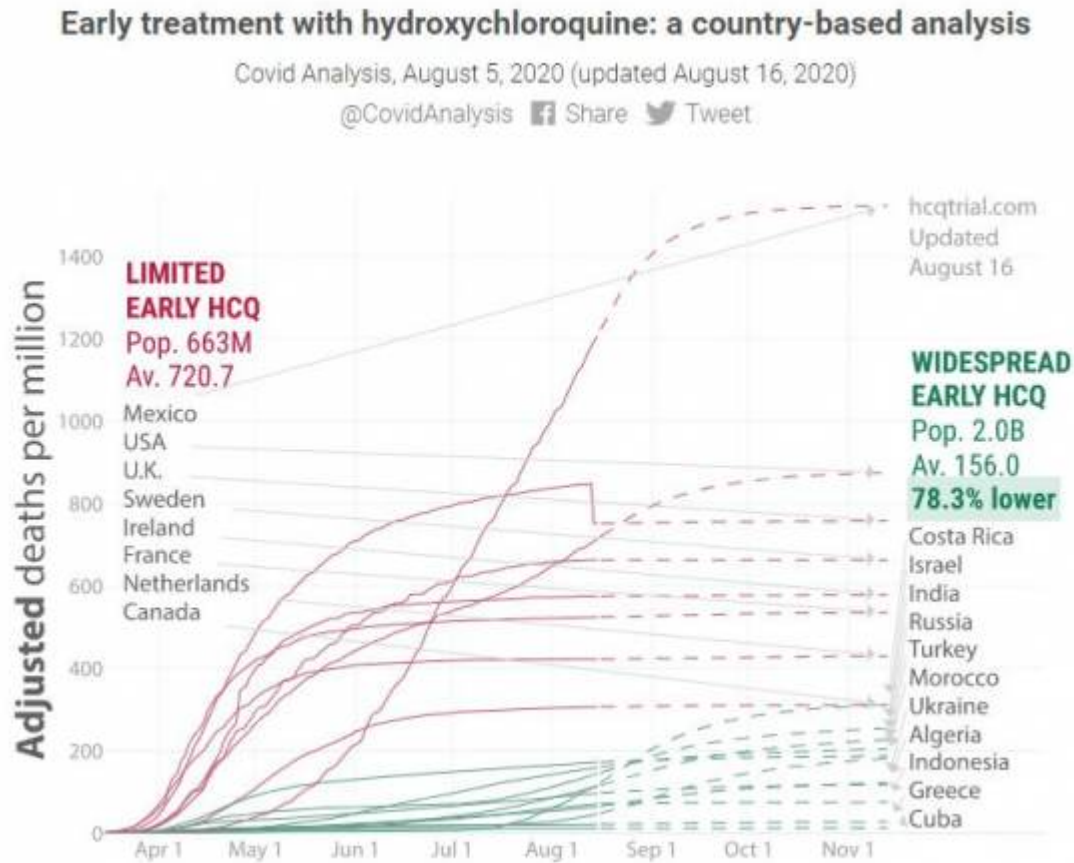

**This means that Dr. Fauci, Dr. Birx, the CDC, the liberal fake news media and the tech giants have been pushing a lie that has had deadly consequences!**

America has lost (reportedly) over 150,000 lives.

brought to you  

**That could have been lowered by possibly 80% if HCQ use would have been promoted in the US!**

**We are talking over 100,000 American lives could have been saved!**

Here is [the website](#) that has compiled all of this international data.

Even developing nations Ukraine, Greece, Cuba, Morocco, Indonesia and Algeria fared better than the US under Dr. Fauci!

**To this day Dr. Fauci, Dr. Birx, the CDC and the FDA refuse to promote the use of HCQ in the early treatment of hydroxychloroquine.**

The [American Thinker](#) reported that the US has up to 30 times more deaths per population than countries that promoted its early use!

The above global map from [CNN](#) shows coronavirus deaths per 100,000 in population

**Notice the countries with the most deaths per 100,000 in population:**

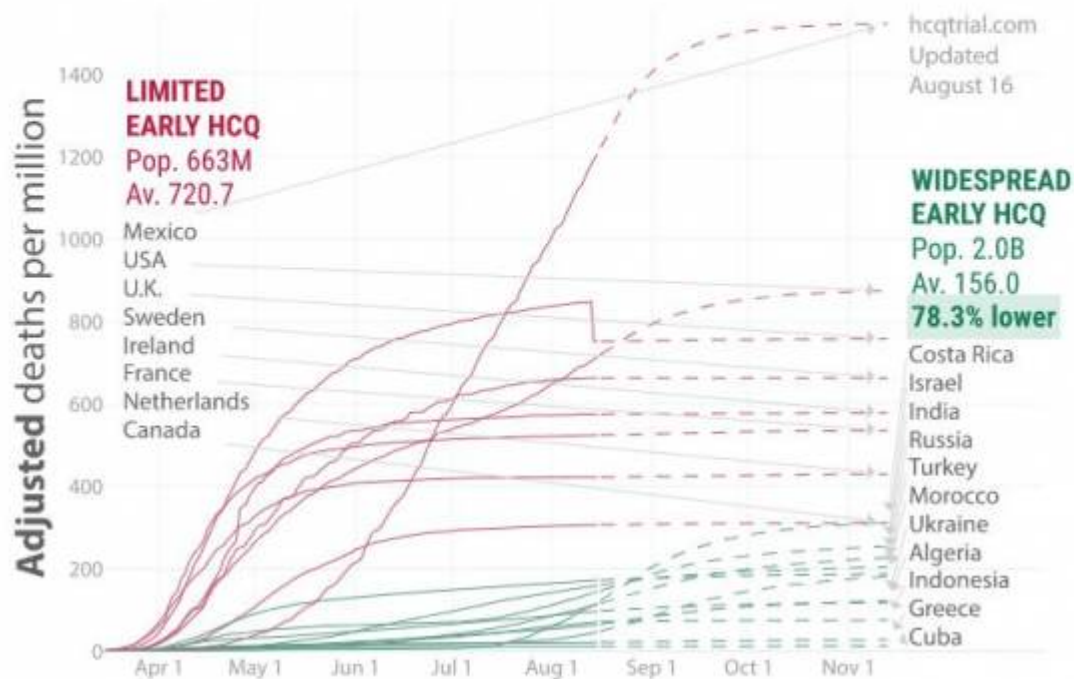

- \* United States
- \* United Kingdom
- \* Spain
- \* Italy
- \* Sweden
- \* Belgium
- \* Brazil
- \* Peru
- \* Chile
- \* Iran
- \* Canada
- \* Mexico

Now notice the countries listed below from the [HCQ Trial website](#) that limited early use of hydroxychloroquine (HCQ) in treating coronavirus.

## Early treatment with hydroxychloroquine: a country-based analysis

**Notice again the country with the highest rate of death and limited use of HCQ:**

- \* Mexico
- \* US
- \* United Kingdom
- \* Sweden
- \* France
- \* Ireland
- \* Netherlands
- \* Canada

This confirms the effectiveness of HCQ in treating coronavirus. And yet Dr. Fauci, the CDC and FDA continue to downplay its effectiveness.

**At some point these killers should be called in to testify on this deadly mistake.**

**They are responsible for tens of thousands of US deaths.**

**They need to be held to account!**
